SUMMARY

I'm a creative and curious student who loves bringing energy and fresh ideas to everything I do. I'm passionate about tech, design, coding, 3D modeling and making YouTube videos. I'm always ready to learn, take initiative, and contribute wherever I can. I also enjoy working with others, and keeping the vibe fun and positive.

EDUCATION

Abbey Park Highschool: **Expected to graduate in May 2028**

SKILLS

- Python programming
- 3D modeling and graphic design
- Roblox cloth design
- Time management
- Team collaboration

ACHIEVEMENTS

June 2024

I went to the ScrapYard hackathon and won the Jankiest Game award

June 2025

I went to the Eureka Hacks 2025 and made "Code Quest". Code Quest is a hardware bot that has the purpose of getting the user to stand up and explore outside.
